MORE PRODUCTION - LESS RISK!

League City (Houston), Texas
April 12-16, 2010

Conference ♦ Exhibition ♦ Training

CALL FOR PRESENTATIONS CATCRACKING.COM HOUSTON CONFERENCE

The CatCracking Community is made up of refiners and suppliers like you. On the internet forums and at conferences, you meet and share information on the latest technologies and regulations that affect the design, operation, and reliability of the FCCU.

This is where operations and maintenance problems are solved. We encourage you to share your experience, wisdom and questions. Give & Get and everyone in the community benefits.

CatCracking.com

MORE PRODUCTION—LESS RISK!

Suppliers—If you want to increase your chances of being selected, co-present with a customer/refiner to explain how your product or service is making them safer, more reliable or more productive.

Schedule for the Week:
Monday-Overview Training
Tuesday-Conference/Exhibition
Wednesday-Conference/Exhibition
Thursday-Advanced Training
Friday-Advanced Training

Call For Papers ♦ April 13-14, 2010 League City, Texas USA ♦ CatCracking Conference

DETAILS

Typical presentations are 30 minutes long, delivered using PowerPoint and followed by 10 minutes of Q&A. They will be printed in the full color conference manual.

"This is an excellent way for refiners to share information relating to safety and production risks." – a refiner.

"Excellent presentations and safety talks." – a vendor

"Seminar was very helpful. I should easily be able to justify cost of attendance for the new ideas and contacts I will bring back."

Additional presentations and sharings can be 5, 10 or 20 minutes followed by Q&A.

PRESENTATION IDEAS

- Safety**
- Environment
- Controlling NOx
